Erich Peterson currently serves as Division Manager and Operations Coordinator for the Municipal and District Operations Practice. Mr. Peterson's experience includes the design and project management of civil engineering projects in a variety of disciplines for commercial, residential, and water district projects.

Mr. Peterson personally manages municipal utility districts in Harris County and Montgomery County. His utility district experience includes preparation of annexation feasibilities, preparation of capital improvement plans, water and sanitary sewer system capacity analysis, sanitary sewer condition analysis and rehabilitation design, and commercial and residential plan review.

Mr. Peterson received a Bachelor of Science Degree in Agricultural Engineering from Texas A&M University and is a licensed professional engineer.
