

Miguel Lopez

Born in Monterrey, Mexico - Miguel came to the U.S. as a baby. Two weeks after graduating from Humble High School he went off with the United States Marines where he served as a machine gunner (1986-1990). While serving in the Marines he became a naturalized US Citizen, one of his proudest moments. He was honorably discharged in 1990 and with assistance from the GI Bill he enrolled at what is now known as Lone Star College. Eventually he transferred to Sam Houston State University where he graduated in 1990 with a B.S. in Criminal Justice. He currently serves as the Executive Director for the Lone Star College-Small Business Development Center (SBDC). In his current role he oversees a team of business advisers who are tasked with assisting business owners and entrepreneurs start, grow and expand their businesses. Miguel credits his customer service etiquette and business acumen to his almost 17 years of banking. He has worked with hundreds of small businesses; pre-ventures, start-ups and existing businesses.

He has been involved in and served in leadership roles with numerous non-profit organizations throughout his years in Montgomery County, where he has been a resident of the Woodlands for over 26 years. When not working or volunteering you can find Miguel on the golf course, on the trails, at the gym, visiting small businesses, or just spending time with his two pups Coco and Chewy.
