

Brent Wunderlich

Brent Wunderlich is the Vice President of Strategic Operations Initiatives within McKesson's Pharmaceutical Solutions and Services (PSaS) business unit. Brent and his team lead strategic initiatives within the PSaS business segment, with a primary focus on operations, supply chain, and customer experience.

Over the past 20 years, Brent has held a variety of operations leadership roles at McKesson and lived in four different states. Most recently, he was Distribution Lead for the Centers for Disease Control (CDC) Centralized COVID-19 Vaccine Response. This encompassed all operations, transportation, safety, material handling, operational supplies, and training activities to execute this massive response.

Brent has remained active in the community and has been involved on the boards of Education for Tomorrow Alliance and the Conroe Economic Development Council. He is currently Board Chairman of Montgomery County Community Foundation and is a past Board Chairman for the Conroe Chamber of Commerce. He is a proud 2015 graduate of Leadership Montgomery County (LMC) and current member of the first LMC Master Class. He loves working with the new LMC class each year. When not working, you can find Brent and his wife Isabel chasing around their highly active 4 ½ year-old son Oliver and 20 month-old daughter Maia.
