LMC's original program, the LMC signature class, is designed to develop new community leaders and enhance the skills and community awareness of existing community leaders. The goal of the process is to assemble a diverse group of individuals with a common interest in leadership and to better prepare those leaders to serve the community. Crafted by the LMC team and Session Directors, the signature class provides an educational forum and leadership development opportunities for participants. Class members begin their year with an overnight retreat, followed by 8 class sessions on one Thursday of each month at various locations throughout Montgomery County.
